Time Keeper: Alseny

Lead: Ibrahima

Comments from Rachel:

Game 2:

- Liked the game launch page layout
- Likes the fridge asset we picked
- Some items have two possible locations, wants to be able to place in multiple locations
- Show/tell the multiple locations to the player

Game 3:

- Wants it to be a “day in the life of a St Thomas student”
- Can give us the general guideline/examples
- Options shouldn’t give a negative score, but just less points
- Wants more visuals rather than texts
- Give reasoning on why each option gets that amount of points
