

Sprint Meeting 4

Note Taker: Raiyyan, Alseny

Facilitator: Ibrahima

Time Keeper: Carter

Game 1:

- Add escape while in game
- Get rid of some dialogue and visually show instead
- Add credits for sound effects/music and art

Game 2:

- Add images for items
- Make it so items can be placed multiple locations
- Make game end if timer is at 0
- Add a point system when placed correctly
- Add text to inform user on where things could be placed
- Add different levels with increasing difficulty
-

Game 3:

- Start remaking the “Oregon trail” like game once the first 2 games are finished
- Find images for visuals
- Grab the scenarios from Rachel/already made games and possible options
- Decide on scoring system for each option
